About me

I like discovering and learning new things. I push the boundaries of imagination to create the new items and crafts. Happy to try and learn whatever world throws at me!

My Products

I enjoy painting Kindness Rocks with acrylic paints. You can create so many patterns with objects available in the house.

Kindness Rocks

I create kindness rocks with every day use tools like bamboo skewers, toothpicks, and pen top rubbers. I also use brushes and pens to create some designs. I use various types of paint like fluorescent or metallic paint as well as standard acrylic paints available from the art shop.
