## About me

*I come from Syria.  
I am always fascinated  
by discovering new  
things and this is  
actually the reason I  
decided to attend the  
courses.*

## About me

*the “MyHandScraft”  
learning path  
was more useful to me  
than attending school  
as it equips me with  
practical experience.*

# My Services

- *I learned the technical part in the first classes (how to use the sewing machine, different equipment needed and some tips 7 tricks on how to use the machine)*
- *Also, I learned how to keep the knitting needles & how to work with the fabric not to ruin it.*

## My Style

*I am always fascinated by discovering new things and had very good results. I learned to perform a number of tasks in sewing and knitting and got experience in working with different fabrics and textiles and I want to work in a small company or work from home.*

# My Story

*I discovered a new inclination  
and who knows?  
I may become  
a successful designer  
in the long run.*

## References

*She was always on time for the workshop and participated in all activities. Her willingness to learn was such that she was taking notes while local handcrafters were delivering the techniques, and then she completed her product autonomously.*
