About me

I come from Zimbabwe where craft is a style of life. We always craft and find ways to re-use the same materials over and over again. I like using warm colours in my products as reds, yellows and oranges remind me of Africa.

My Products

I enjoy making macramé,
I like the repetitiveness of
this crafts and that you can
do something so pretty and
functional from a piece of string.

My Style

I like making something
from nothing, but it has
to be pretty and
colourful.
