About me

My name is Osman Conteh I live at Larnaca, came from sierra leone west Africa. I'm very charming, hardworking and intelligent, I'm easy to work with and easy to understand and live in any environment but above all I'm a team worker.

Slogan

Knowledge is light.

My Story

My past experience was a very hard and bad experience because I don't have financial support to do the course so use to do it the hard way that experience was not really easy for me but I thank God for everything. In the past I use to work in my native country Africa to be precise, but presently I am not working.
